

## Celebrating 30 Years!

In 2026, Matthew 25 proudly celebrates a milestone year honoring decades of service, growth, and unwavering commitment to the communities we serve.

What began in a one-car detached garage has grown into a comprehensive network of care. Over the years, Matthew 25 has expanded to four clinic locations, launched an in-house pharmacy, and deployed a mobile health unit to reach individuals where care is needed most. Today, our mission is carried forward by more than 100 dedicated employees who work every day to eliminate barriers to healthcare, reduce stigma, and improve health outcomes.

This milestone year also reflects the resilience, innovation, and heart that have defined Matthew 25 since the beginning. Each chapter of our story is rooted in meeting people where they are and responding to the evolving needs of our communities with compassion and purpose.

As we reflect on this journey, 2026 is not just a celebration of how far we've come—it's a tribute to the patients, partners, donors, and community members who made it possible. Together, we look ahead with gratitude and renewed purpose, committed to serving with compassion, dignity, and impact for many years to come. Stay tuned for special events, stories, and opportunities to celebrate throughout this milestone year.

### Opioid Settlement Fund

Matthew 25 is grateful to receive funding from the City of Evansville Opioid Settlement Funds to expand access to life-saving harm reduction resources in our community.

This investment will allow Matthew 25 to purchase, maintain, and operate two harm reduction vending machines, increasing low-barrier, anonymous access to critical supplies. The machines will be stocked with Matthew 25 harm reduction kits which will include IDU, smoking, snorting, and wound care kits—as well as safer sex items, fentanyl and xylazine test strips, and naloxone.

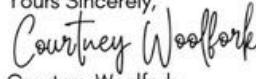

By making these resources available around the clock, this initiative helps reduce overdose risk, prevent the spread of infectious diseases, and connect individuals to supportive services while meeting people where they are with dignity and compassion. We thank the City of Evansville for its commitment to evidence-based solutions that strengthen public health and save lives.

### Grounded in Our Mission

For more than 30 years, Matthew 25 has been committed to serving people at risk for or impacted by HIV and other sexually transmitted infections through comprehensive health care, education, and support. At the heart of our work is a belief in dignity, compassion, and meeting people where they are—while fostering community partnerships that combat stigma and improve overall health and quality of life.

Our work is guided by our values of love, excellence, innovation, service, hope, and collaboration. We take seriously our responsibility to care for both our patients and our staff, and we remain committed to strong standards of safety, compliance, governance, and accountability in everything we do.

Uncertainty, turmoil, and change do not shift our purpose. We remain focused on our mission, showing up for our patients, supporting one another as a team, and continuing the work we have been entrusted to do. Matthew 25 stands grounded in that mission and committed to serving our community with integrity, compassion, and care—today and always.

Yours Sincerely,  
  
Courtney Woolfork  
CEO

Thanks to the generosity of our community, Matthew 25 AIDS Services' Yuletide program reached a record number of patients in 2025. We provided 411 patients with \$50 Walmart gift cards, serving 252 individuals in Kentucky and 159 in Indiana. This marks our largest Yuletide program to date and a meaningful increase from 288 gift cards in 2024.

# Pharmacy Highlights

## MATTHEW 25 PHARMACY

### 2025 Impact at a Glance

Celebrating our first full year of operation and the impact made possible through patient-centered care.

**31,779**

Prescriptions Filled

**1,156**

Patients Served  
Across All Locations

**\$1.1M+**

Patient Assistance &  
Copay Coverage Secured

# Runway Red

## Event Overview

Runway Red returns on Saturday, March 28, 2026, marking a powerful moment in our history as we officially launch the 30th anniversary celebration of Matthew 25 AIDS Services.

Runway Red brings together fashion, philanthropy, and community—creating an unforgettable evening that supports life-saving care, education, and support services across the 37 counties we serve in Kentucky and Indiana.

Held at the Preston Arts Center, this year's show will celebrate not only where we are going, but how far we have come. Guests can expect an inspiring runway experience, meaningful storytelling, and special moments woven throughout the evening as we honor 30 years of care, courage, and community.

Tickets and sponsorships are now available.

## Powered by Our Community

Runway Red is made possible thanks to the locally owned boutiques and community members who volunteer as models. Their generosity, creativity, and willingness to step into the spotlight help bring the runway to life while showcasing the strength of community partnerships that support Matthew 25's mission. Thank you to each of these boutiques who have been confirmed participants for this year.

## Silent Auction Items Needed

We are accepting donated items for our silent auction. Auction donations give businesses exposure to 500–650 guests while directly supporting Matthew 25's life-saving services. No item is too small. This year's silent auction will take place digitally to reach more bidders. All donations are tax-deductible. Auction items are needed by March 13.

## Dedicated in Bill Kaelin's Memory

This year's Runway Red is dedicated in loving memory of Bill Kaelin. Bill was a long-time provider for Matthew 25 serving our Henderson and Owensboro clinics. The evening will include special moments and meaningful surprises honoring his legacy and the impact he had on our community. His memory reminds us why this event and our mission matters so deeply.

## Desserts

Dessert sampling is one of guests' favorite parts of Runway Red, and we are seeking dessert donations from local bakers, businesses, and home bakers alike. Donors receive event recognition, social media promotion, and two complimentary tickets to the fashion show. Your sweet contribution helps create a memorable guest experience while supporting the mission of Matthew 25.

## Greater Owensboro Chamber Celebration

Matthew 25 was honored to be nominated as Best Non-Profit in the Health & Human Services category at the Greater Owensboro Chamber of Commerce Annual Celebration. Several members of our staff and board were proud to attend the event to represent our organization and the communities we serve. While we did not take home the award, being nominated alongside so many impactful organizations is a true honor. Congratulations to all of this year's winners, and thank you to the Greater Owensboro Chamber for recognizing the important work happening across our region.

## Bowling Green Chamber of Commerce

Members of our Bowling Green staff recently attended the Bowling Green Area Chamber of Commerce Annual Celebration, proudly representing Matthew 25 and the work we do in the community. Staying actively involved with our local chambers, wherever our clinics are located, is an important part of our commitment to building strong community partnerships. These connections help strengthen collaboration, expand resources, and ultimately allow us to better serve our clients and communities across the region.

## Community Partner Shout-out

We are proud to recognize one of our long-standing community partners in Evansville, Memorial Baptist Church's HIV Ministries, and especially Miss Teresa Carter, for their continued support of Matthew 25.

For more than a decade, Memorial Baptist Church's HIV Ministries has stood alongside Matthew 25—providing volunteers, donations, and heartfelt support to our staff, clients, and communities served. This past Christmas, their compassion shined especially bright as they adopted five local families, each with children, ensuring gifts and a Christmas meal filled their homes with joy and hope.

We are deeply grateful for the love, generosity, and unwavering commitment shown to our Evansville clients. Thank you, Miss Teresa and Memorial Baptist Church's HIV Ministries, for living out our shared mission and reminding us all of the power of compassion.

## Volunteer Opportunities

We are currently seeking volunteer groups interested in serving on planning committees for Runway Red, BBQ, Bourbon & Burlesque (BBB), and National HIV Testing Day.

If your group is looking for meaningful ways to get involved, please reach out to Rachel Trout, PR & Fundraising Specialist, to learn how to plug into Matthew 25 throughout the year at [rtrout@matthew25clinic.org](mailto:rtrout@matthew25clinic.org).
